\$50,000 Improvements For BG High Field

The above sketch shows proposed improvements planned for the Belle Glade High School athletic field, which will cost an estimated \$50,000. Work is now in progress on certain phases of the improvements and will continue as

funds become available. There is not at present enough money available to see the project completed, and donations are being accepted from interested citizens.

Elmer C. Mapp 24 Yr. Resident Died Sunday

Elmer C. Mapp, 73, 537 S. E. 5th St., a resident of Belle Glade for 24 years, passed away in Glades General Hospital Sunday, Jan. 21 at 5 a. m. following a short illness.

A native of Decatur, Mississippi, he was born Sept. 1, 1894 coming to Belle Glade in 1944 from Tampa. He was a WWI Veteran serving in France during 1917-1918. He was a member of Community Methodist Church of Belle Glade, American Legion Post No. 20, Belle Glade, a member of the Methodist Men, was active in civic affairs and had assisted many times in Glades Exhibits at the South Florida Fair, and with the FFA. He was a familiar figure at the Belle Glade football field having served faithfully in raising the flag at the games for many years, until last year. Before retiring years ago, he was a barber by trade.

Survivors include his widow, Mrs. Kathleen H. Mapp, Belle Glade; three sons, Elmer M. Mapp, Merritt Island, Edmond L. Mapp, Metairie, La., and S. A. Mapp, of Kent, England; one daughter, Mrs. Mary Cella Thompson of Sacramento, Calif.; two step-daughters, Mrs. Douglas Barnes and Mrs. Glenn Siles of Jackson, Miss.; one brother, J. R. R. H. McDougall Died Suddenly

Robert H. McDougall, 56, of Reamer Ave., Columbia, S. C., President of the Columbia Bank for Cooperatives, died suddenly Wednesday a. m. at Glades General Hospital. Death was attributed to a coronary thrombosis.

The remains were sent by plane to Columbia Wednesday afternoon. The Dunbar Funeral Home will have arrangements there.

Financing Depended Upon Fund-raising Program Directed By Athletic Council

Planned improvement to the Belle Glade High School athletic field, will cost an estimated \$50,000 the financing of which will depend on area sports fans who contribute to a fund-raising program, Othar Crawford, athletic director, said recently.

Work is now underway on moving bleachers and poles on the south side of the football field so that a half-mile track may be completed in time for the spring sports program, Crawford said.

Funds are now available to complete the first phase of the expansion at the athletic plant, which is located north of the high school campus. Until the present work was begun, the track program at the school has been curtailed.

Donations from interested parents and supporters of the sports program now total \$2,000, there have been additional donations of labor, material and heavy equipment necessary to improve the facilities, it was stated.

Chairman of the improvement fund project is John H. Causey, a former president of the Belle Glade High School Athletic Council. Donations may be addressed to Causey or school officials.

The Palm Beach County Board of Public Instruction has donated \$4,000 toward the construction work and an additional \$8,500 will come from the maintenance fund, which is collected from ticket sales to athletic events.

A certain percentage of each ticket sold is placed in that fund, Crawford said. According to the athletic director, the improvements are planned in four phases. The first entails the moving of fences and electric installations so that the track may be built.

After that project is completed, Crawford stated, there is plans to build additional rest room facilities and a modern press box atop the north stands. A new concession stand and addition of bleachers on the home side of the football field, plus the installation of new light poles is included in the long range program.

The completion of the track and the moving of fences, bleachers and electrical lines will cost and estimated \$10,600. Additional rest rooms will add another \$6,600 to the expenditures. Crawford said a new press box would cost approximately \$11,600 and improvements to concession facilities another \$3,255.

Increased seating capacity is estimated at \$4,000 and three new concrete light standards and lights will add an additional \$12,000 to the cost. Barring complications, the track should be ready in time to hold at least two meets here in April.

Peddlers Get Injunction

A temporary injunction restricting the enforcement of a new Florida law limiting the activities of peddlers in agricultural areas of the county was issued Monday by Palm Beach County Circuit Court Judge James C. Downey.

The injunction also instructs County Solicitor Marvin J. Mounds Jr. not to prosecute any violations of the law, which was passed by the Legislature in 1967. The actions resulted from a suit filed by Sadat I. Uthman of Miami, who alleges the new law is "unconstitutional because it is arbitrary, discriminatory, oppressive, and denies him due process of law, as well as equal protection of the law."

The injunction will remain in effect during the "pendency" of the suit or until further court order. Sheriff William R. Heidman, when informed of the temporary injunction, said he will instruct his men to begin enforcing immediately a county zoning ordinance that prohibits peddlers from selling their wares on right of ways in agricultural areas.

Solicitor Marvin J. Mounds Jr. said Judge Downey's injunction is "only a temporary injunction," and the court may still decide it's a constitutional law. The injunction did not declare the state law unconstitutional, as the peddlers sought, he said.

State Rep. Robert W. Rust, who was involved in the passage of the anti-peddler law, said Monday he was concerned "about Judge Downey's decision restricting Sheriff Heidman from enforcing the anti-peddler law."

City Manager Travis Huguely favored the tax and explained "the consumer is already paying the extra money for the product," because the vending machine operators changed their vendors from 35 to 40 cents in anticipation of the added levy.

When the governor vetoed the bill the extra cash was pocketed by the vendors, as well as other merchants who raised prices accordingly. At present, the local government nets approximately \$180,000 annually from the cigarette tax. The additional revenue could afford certain improvements within the municipality, without affecting the present millage rate.

The commission approved a traffic change for northeast First St., which makes a turn to both the east and west at Ivons Park. The northbound traffic uses the east lane and the southbound traffic uses the west lane. The new measure, will make the streets around the park two way arteries.

The Women's Civic League appeared at the session and tendered a check for \$2,500 as payment on a mortgage on property purchased from the city at the intersection of SW 10th Avenue E and 17th Street.

Mrs. Knight Chairman

MRS. S. N. KNIGHT

Mrs. S. N. Knight has been named this year's chairman of the Heart Ball Committee. The theme was announced as the "Mardi Gras Heart Ball." With heart transplants so much in the news it seems natural for the heart ball to do an operation of its own," stated Mrs. Knight. "We plan to transplant a bit of New Orleans to Belle Glade." Plans are now being made as the ball is scheduled to take place February 24th in the new Elks Club Building.

GURNEY COUNTS UP NEED FOR CHANGE

An enthusiastic crowd of approximately one hundred and fifty area Republicans and their guests attended the first fund raising dinner held by the newly formed Glades Republican Club. Representative Edward Gurney was the guest speaker and his talk was very well received by those attending.

Congressman Gurney's subject was the Johnson administration's inability to cope with the current foreign and domestic dilemma that confront our nation. Rep. Gurney touched

on subjects ranging from crime in the streets to the Vietnam conflict.

Charles Nicks newly elected president of the local club gave a short talk on the goals and ambitions of the organization, and invited all interested citizens to help the club achieve them.

Among the dignitaries attending were Rep. Robert W. Rust, Sheriff William R. Heidman, Rep. Bill James, and Rep. Joe Humphrey. The dinner was termed highly successful by Thomas Baker club vice president.

Charles Nicks president of the Glades Republican Club is shown talking with Congressman Edward Gurney the guest speaker at the club's fund raising dinner held at the Belle Glade Holiday Inn.

One more nice thing: the price.

\$2,284

Manufacturer's suggested retail price for standard Six Chevy II Nova Coupe shown above includes Federal Excise Tax, suggested dealer delivery and handling charges. Model shown with Custom Exterior \$46.50. White. Wallis \$21.35. Wheel Covers \$21.35. Transportation charges, accessories, optional equipment, state and local taxes additional.

Car enthusiast magazines keep saying a lot of nice things about the all-new Chevy II Nova. And why not? At last there's an economy car that doesn't look or act like one. Besides being a whole lot sportier, it offers a smoothly balanced Six and a 307-cubic-inch standard V8 that runs beautifully on regular fuel. See for yourself what all the shouting's about. Road test a Nova now.

Americanism VS. Communism

By Joanne Harris

For the past six weeks the Seniors at Belle Glade High School have been studying the ideas and beliefs behind Communism. Marx was the father of Communism, and Lenin followed Marxist ideas and set up the form of Communism we have in Russia today.

Can you imagine what it would be like to have someone watch every move you made, and know that if you did anything to go against the party's beliefs you would be imprisoned or even killed? In Russia even the children are thought that it is good to report everything you hear someone say against the party, even if that somebody happens to be your parents.

Your parents are allowed to do the kind of work they choose, but in Russia the people are told what type of work to do, and they have no choice to obey. Even as far as education is concerned, you

as a student will be allowed to make a choice of what you want to do, after graduation. Some of you will choose to continue your education and others will wish to go into the type of work they are interested in. In Russia if you are a very good student and you prove that you will be of use to the party, then you will have the chance to go to the State's University. Other students are taken out of school and sent to do certain jobs.

We as Americans so many times gripe about the situation in which we live, but if only one day I were in Russia for one day I'm sure we would appreciate our freedom much more than we do.

I know that as a teenager, I misuse and take for advantage all of the privileges I have as an American, but after reading and studying about Communism, I will think a little more before I criticize my country and my government.

What Is Loyalty

By Jill Bowen

Loyalty is having a boyfriend you can trust with other girls.

Loyalty is not deserting your best friend when she falls flat on her face in the halls.

Loyalty is the trust that you have in a person.

Loyalty is a soldier in Vietnam fighting a war he believes is tragic but is still risking his life for his fellow comrades, who are carrying the "red, white, and blue flag."

Loyalty is a girl saying to her mother that she will help her serve refreshments at the bridge club meeting rather than going out on a very important date.

Loyalty is cheering for your team even when it is losing and there is no chance of winning.

Loyalty is remaining close to a friend when he needs you.

Loyalty is a girlfriend who won't date your guy when he asks her out because she doesn't want to lose your friendship.

Loyalty is a boy who joined the Navy and still writes to you.

Loyalty is upholding one's convictions at the expense of one's personal pride or self if necessary.

Loyalty is the courage it takes to stand by a friend or nation when things get tough or when they make mistakes—so that they might help them up again.

Loyalty is being able to say with pride, "that's my friend or my state or even my country." But still saying it's yours even if you are not proud.

Loyalty is a friend who will always stick up for you.

Loyalty is when your friends tell you something and then they tell you not to tell anyone else and you don't.

Loyalty is two inseparable friends in high school.

"Ah, Uncle George, remember when you bounced me on your knee—how I'd love to recapture those moments again!"

A Day In Viet Nam

By Sandy Betts

The sun shines brightly. Relecting off the glossy leaves. The birds sing high in the trees. The wind blows softly. Children are playing in their house.

Their parents toil silently. It is a day of happiness.

A place is heard in the distance. The parents look up and smile. The children run out and wave. Then comes a high pitched wailing.

A heavy hand beats the people to the ground. The sky is red with flames. A child cries. His sisters will never cry.

His parents are no longer toiling— They are dead.

Then there is quiet. It is a beautiful day in Viet Nam.

On Saturday night, January 13th, the Rams played Immokalee in Immokalee. The game was close and at the end of the 4th quarter the score was tied 85-85. In the overtime,

"Be the Best of Whatever You Are"

By Margaret Thompson

If you can't be a pine on the top of a hill, Be a scrub in the valley but be The best little scrub by the side of the hill. Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass, Some highway happier make; If you can't be a muskie, then be a bass— But the liveliest bass in the lake.

What is School Spirit

By Jill Bowen

A winning team must have a spark of enthusiasm just as a car needs spark plugs to run. This spark is school spirit.

Just what is school spirit? It is an attitude of pride that we have for our school and for the sports involved in the school. These attitudes should be positive rather than negative. The presence of graciousness in winning as well as losing is one of the best ways to show our spirit. A losing team needs more cheering than a winning team when it is losing is a true expression of school spirit.

The students participating in sports at Belle Glade High School work hard pushing toward that special goal of winning. Why do they push so hard to win? Not only for themselves, but for their school and its reputation.

Many outsiders who visit Belle Glade compliment the school on its spirit. We have two things to be proud of—our great team, the RAMS, and the students who express such enthusiasm for their team. So let's continue with this spirit we have had in the past and follow through with it for the remainder of this school year.

Immoalee scored 8 points to Belle Glade's 6, winning the game 93-91. High scorer in the game was Scott (25) with 34 points. He made 10 free throws. Viamontes scored 29 points with Steve Close right behind him with 21 points. McAllister and Rionda both scored over ten.

Leading the entire game, the Rams beat Boca Raton 71-42, Tuesday, January 16. Queen Wilson was high scorer with 17. Viamontes had 15 and Steve Close 14. Only one Boca player scored over 10.

The Rams' record is now 6-5.

"Be the Best of Whatever You Are"

By Margaret Thompson

If you can't be a pine on the top of a hill, Be a scrub in the valley but be The best little scrub by the side of the hill. Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass, Some highway happier make; If you can't be a muskie, then be a bass— But the liveliest bass in the lake.

What is School Spirit

By Jill Bowen

A winning team must have a spark of enthusiasm just as a car needs spark plugs to run. This spark is school spirit.

Just what is school spirit? It is an attitude of pride that we have for our school and for the sports involved in the school. These attitudes should be positive rather than negative. The presence of graciousness in winning as well as losing is one of the best ways to show our spirit. A losing team needs more cheering than a winning team when it is losing is a true expression of school spirit.

The students participating in sports at Belle Glade High School work hard pushing toward that special goal of winning. Why do they push so hard to win? Not only for themselves, but for their school and its reputation.

Many outsiders who visit Belle Glade compliment the school on its spirit. We have two things to be proud of—our great team, the RAMS, and the students who express such enthusiasm for their team. So let's continue with this spirit we have had in the past and follow through with it for the remainder of this school year.

President of the Week

Sharon Gail Walls was born in Belle Glade. She has the honor of being president of two clubs and the co-editor of the Rampage.

She is president of Glee Club and has just returned from Daytona where she participated in the state music clinic. She is also the student accompanist for the Glee Club.

She is the president of Future Homemakers, and she has earned her chapter degree and she says it takes a lot of planning to get meetings organized.

As co-editor for the Ram Page she helps lay out the paper. She said, "I really enjoy the job — but sometimes I get nerve-racking finding articles to fill the space. I've learned a lot about creative writing, and now I pay more attention to other newspapers."

Sharon wants to major in music. She is going to Palm Beach Junior College next year and later to Shorter College in Georgia.

Sewing, skiing, dancing and playing the piano are some of her hobbies. She plays the piano for the Baptist church. Her favorite cartoon is Garfield and she drives a red Rambler called the "Bomb."

What School has Taught Me

By Sharon Walls

My first report card taught me, that some of the biggest lessons to be learned in school did not come from books. I was graded on how well I mixed with people and my attitude toward learning.

After twelve years of observing students, I am convinced those with the greatest attitudes are not always the ones who achieve the most. An average but conscientious person has had to learn the difficult lesson of how to study. He has also learned to give more of himself and do more toward learning.

I am convinced it is not the average hardworking student who feels compelled to cheat. He will not fall apart if he misses a question — he has missed too many for this.

Learning from other people, from their successes and failures should be considered a great asset to our education.

I am not saying books are not valuable. In fact, we learn to love and appreciate all of the exciting things books tell us and how to go to books for our needs. In fact, we are not saying to know. What I am saying is after twelve years in school and as we prepare for jobs, we are told that more people lose jobs from not getting along with people than for inefficient work.

Variety Show

Come One! Come All! to one of the most exciting and spectacular shows of all time, a Variety Show to be given by the Future Farmers of America (FFA). It's something unique and different, it's sensational, it's colossal, it's "Stevie & the Dynamics" rocking with the way out tune "Ode to Billy Joe" and others.

Also appearing in the show live and in person the LaVogue Models with all the latest fashions from Minis to evening wear, and as a special attraction the "Lake Shore Swinging Bobcat Stage Band."

There will be an "Instrumental Solo" by Mack Boone, "Creative Dance" by Jeanette Sears, and vocal groups that you will certainly enjoy listening to, and many, many more talent acts to be featured. So plan now to come and be prepared for a good time.

The Future Farmers of (FFA) and their advisor Mr. Thomas Newton are really working hard to make this affair the most sensational and most entertaining show of the "68" school year.

So, if you want to have a good time on February 15, join the line, come on out for an evening of amusement, with the members of our Lake Shore Family to entertain you.

Josie Brown

All State Band

Two members of the Lake Shore Bobcat Band were selected to participate in the Florida All-State Senior High School concert band. The students selected were Frederick Bass and Ollie Davis Jr., they were selected on the recommendation of their band director, Willie Pyfrom, on their playing and sight-reading ability and character.

The All-State Band performed at the FMEA Annual Clinic, held in Daytona Beach, January 11-13th.

Playmakers Present Play

The Lake Shore Playmakers Guild will present its first play, "Exit the Body," a three act farce by Fred Carmichael, February 1, 1968 in the Lake Shore Gymnasium.

"From the opening laugh to the final line, this is guaranteed to make even the most staid audience cry with laughter." Hilarious, delicious, uproarious, hysterical — pick your own adjective. Never will tears of laughter flow more freely.

Cast in order of appearance:

Lillian — Elnora Putnam.

Jenny — Ethel Lockett.

Randolph — James Haynes.

Helen — Shirley McDonald.

Kate — Jeanette Sears.

Craig — Sharon Butts.

Vernon — Eugene Ford.

Lyle — Anton Manley.

Phillip — Ronald Butler.

Richard — Levon Wilford.

Band Members

Try Out

On Saturday, January 20, 1968, 7 members of the Lake Shore High School Band, journeyed to Palm Beach Junior College, in Lake Worth, to audition for the "All County Honor's Band." The drummers were Ollie Davis (drum), James Coleman (drum), Fredrick Bass, (coronet), Ronald McCurdy (coronet), Wilbert Harrison (Bass or Tuba), Ronald Butler (Saxophone), and Ethel Lockett (Saxophone).

For the audition the members had to play their instrument scale and for drummer rudiments sight reading was also a part of the audition.

The results will be received at a later date.

We wish to commend these students for their courage.

Bobcats Show Tigers

On Tuesday night, January 16, in the Lake Shore gymnasium the "Mighty Bobcats" played host to the "Fighting Roosevelt Maroon Devils" of West Palm Beach.

The game began with the "B" teams in action. The Devil's came out hot and began piling scores, they led at the end of the first quarter 20 to 14.

It was a Devil's game all the way until finally the Bobcats got warm and at halftime the scores were Devils 32 and the Bobcats 31.

The second half was full of everything. Everyone that was there was on pins from start to finish. The impressing and versatile Glen Lettingham really made some very impressing shots. He and his teammates played the game of their lives but they couldn't profit from the mistakes made. So the game ended with the Devils nipping them by 2 points and the game ending 74 Devils and 72 Bobcats.

After a very nerve reeling game, the spectators were again confronted with another outstanding performance by the "A" team.

The game got off to a slow start and it wasn't as exciting as was anticipated. At the end of the first quarter the scores were Devils 22 and the Bobcats 8.

The second quarter was what we were looking for "excitement" The Bobcats held the Devils and reduced their lead. At half-time everyone was excited and screaming with joy as the teams left the court leaving the score 31 Devils and 31 Bobcats.

Upon returning to the court the same pace was kept. The Fighting Devils and the Mighty Bobcats battled for a well deserved victory. Lake Shore's super star Charles Walker was kept under pressure, yet the Bobcats held the Devils to their lowest of the season. The game with 3 minutes 30 seconds left in the 4th quarter, Johnny Mack made two free shots to put the Bobcats out front 54 to 52, but because of mistakes the Devils slipped by with a final score of 60 Devils and 58 Bobcats.

Above you can see the beauty of the Allen University Choir. Don't they look lovely!!

Men are said to be the backbone of an organization we must agree after their performance Monday evening.

Allen University Choir

The members of the Lake Shore Family were proud to have as their guest the "Allen University Choir of South Carolina. The Choir presented a very enlightening and inspiring concert Monday night in the Lake Shore Gymnasium at 8:00 p.m.

The choir sang a variety of songs such as a medley from "My Fair Lady" by Lerner-Loewe, selections from "The Mass In G" by Schubert, and the "Ten Commandments" by Ringwald. A beautiful and well presented song was sang by Cynthia Green taken from Der Holle Roche entitled "The Magic Flute" written by Mozart. After a very interesting

half the choir retired for a short intermission.

The second half of the program was enjoyed by all with the Octave of the group singing "Ugly Woman" which received an overwhelming applause from the audience. The choir then sang a series of Negro spirituals entitled "Little Lamb" by Bartholomew, "I've Been Baked" by Johnson, "When I Was Sinkin' Down" by Johnson and "Certainly Lord" by DePaul.

The nucleus of the choir, John W. Hunter, was then presented to some and introduced to others by the spokesman of the choir William Spaulding. John is a graduate of Al-

len University and obtained a Bachelor of Science Degree and Masters of Arts Degree from Columbia University in New York City and has received his Professional Diploma. John has attended the Julliard School of Music in New York City and he has studied under such noted musicians as Fred Waring, Peter Wirtzsky and Bernard Shaw.

It can be readily understood and heard why this choir has made numerous achievements in the music field. Along with the voices they have their director, who has numerous qualifications and their accompanist Shirley F. Scurry, this makes them a very outstanding

and unforgotten choir in the hearts of the Lake Shore Family. Also accompanying the choir was Miss Pearl Walker their Official.

The members of the Lake Shore Family would like to extend their appreciation and gratitude to the Lake Shore Junior-Senior High School Chorus and their sponsor, Miss A. V. Mells, who helped to make the program a success. It is only through the combined efforts of members of the faculty and all persons who so generously provided housing for our guest that we are able to present such cultural activities as this.

They really displayed their acting ability Monday evening. Wouldn't you say so? when they sang "Ugly Woman."

Pictured above is the Allen University Choir just before leaving the school, for their next appearance.

Former Experiment Station Spectroanalysis Dies In Orlando

TOM ERWIN

The many longtime friends of Tom Erwin here in Belle Glade and at the Experiment Station were deeply shocked and grieved upon learning of his recent death and burial in Orlando last Wednesday morning following a comparatively brief illness which involved serious complications brought on by two operations, in succession, for kidney stones. The immediate family left to mourn his passing include Betty, his wife and nine children: Roswell, Ensign, U.S. Navy; David, Jerel, Nancy, Mary Kathryn, Thomas Church, Jr., James, John and little Timothy, 14 Mo.; also his mother and sister, Mrs. Laurene L. Erwin and Rachel of Coral Gables and his brother, Dr. Charles Erwin, of Milwaukee, Wisconsin.

Tom became well grounded in his chosen field of spectroscopy and spectroanalysis while working in the Soils Department at the University of Florida in Gainesville from 1942 to 1945 and came to the Everglades Station in 1946 to take charge of this very important phase of the work with the so-called trace elements. No one knows anything of the very great importance of this phase of the early work of the Experiment Station in relation to both plant and animal nutrition or found opportunity to observe his very great skill in setting up and operating the exceedingly complicated equipment involved and his almost uncanny ability to translate the delicate quantitative results into meaningful programs which never fail to appreciate and remember that he was a very important contribution to the early agricultural development of this great area.

Most notable among his contributions to the field of animal nutrition was his prompt and unconditional indictment, as he scanned the many mysterious spectrographic plates, of the element molybdenum and his quick and certain call for the use of the element copper as the sole and only antidote or medication for the imbalance which, otherwise caused such very great distress and even death in the animals. Such findings always were confirmed by very careful animal testing.

While the spectrographic technique gradually has given way to chemical procedures as they have become more carefully developed, there can be no question as to the importance of his work.

Belle Glade Municipal Library To Hold Art Exhibit Of Prints

The Library will show twenty-four large-sized Audubon bird prints, reproduced directly from the rare Elephant Folio and imported from the Netherlands. Many of our large water birds of the Everglades are in this collection.

Twelve dry brush paintings and drawings by Andrew Wyeth will be shown on the theme "The Four Seasons." This theme was chosen because of the essential role played in the work by the cycle of the seasons.

In these works Wyeth's loving concentration on the object is fully revealed. But as always in his work, this concern with the "fingible" is balanced by sensibility to mood, to the emotion arising from the actual. They are pervaded with a sense of the season, the exact time of year, the hour of the day, the quality of the light. To the truth and subtlety with which he captures these intangible factors, these drawings owe their poignant poe-

try. Following the exhibit, these pictures, together with the text, will be made available to the public. You will want to take them home with you to enjoy.

Dinner Served

Chapple Young, and Mark Bush students at Palm Beach Junior College were among the fraternity members who served the Episcopate Evening dinner at THE BREAKERS, Palm Beach, recently. The fraternity advisor is also the professor of Hotel management and enlisted the service of the boys at the charity affair.

Chap reports they were schooled on how to serve entrees, wines, "the whole bit" and that it was a most interesting evening.

School Bids Being Studied

West Palm Beach — The construction firm of William Q. Hays and M. J. Robinson of Boynton Beach, was the apparent low bidder for the expansion and improvements of the East Lake School, Pahokee, in bids opened by the Palm Beach County school system, Tuesday, January 9.

The apparent low bid was \$456,876. Two other bids received were Blanton and Unwin, Inc., of Pahokee, \$463,500, and the DeVos Construction Company, West Palm Beach, \$483,850.

The bids are being analyzed and various alternates evaluated by the School Plant Planning Department, and a report is expected to be made to the County School Board within the next week.

The expansion and improvements plan includes a new administrative suite, music suite, industrial arts shops, materials center (library), shower and locker rooms, two science laboratories, and the remodeling and expansion of the existing kitchen.

The school board had hoped for a bid below \$400,000. Next year the East Lake School will contain grades 1 through 9 and much of the scheduled new construction is aimed to assure full accreditation at a sound level for this facility.

Until two years ago the school included grades 1 thru 12, but starting in the 1965-66 school year and continuing last school year the high school grades 10 and 11 consecutively phased out. This year the school is operating with grades 1 through 9 and grade 12 only. The 12th grade will be phased out at the end of this school year, next June.

Harry T. Vaughn, president of U. S. Sugar Corporation of Clewiston, and a leader in Florida agricultural activities, says the Sunshine State must retain control over its fresh water resources to insure steady progress.

As you drive state road 80 you notice an increasing number of dents in the guard rails that border the road, this only serves to point up the life saving merits of these guard rails and number of people that have been saved by them.

Mrs. Anna Geer Buried Tuesday In Gainesville

Mrs. Anna Geer, who formerly lived in Belle Glade with her daughter, Mrs. Emmett Roberts, for a number of years, passed away Saturday after a short illness at St. Mary's Hospital in West Palm Beach.

Mrs. Geer, 84, was born in Sweden and came to this country as a young woman. Settling in Connecticut she married Howard Geer and moved to Gainesville, Florida in 1911. Her husband died in 1956. She continued to live with her daughter and son-in-law, Mr. and Mrs. Emmett S. Roberts at their residence in Riviera Beach.

Surviving are two daughters, Prudence Stockstill of Gainesville and Jenaura Roberts of Riviera Beach; three grandchildren and two great grandchildren.

Services were conducted in Gainesville at the Williams-Thomas Funeral Home with interment in Gainesville on Tuesday.

THE FISHING REPORT

THE SPECKS ARE STILL BITING!!! Weather conditions were excellent over the weekend making speck fishing very good. The specks are hitting on both live and artificial bait, in the canal to the North and South of Slim's, and also in the grass beds in the lake.

There were far too many nice catches to print in one newspaper article. However, the following limit or near limit catches were reported:

Freddie Stevens, Dan May, Percy Gross, John Evans, Bert Ward, Doc Cone all of Belle Glade.

Pellon Morris reported catching 50 in 40 minutes on Saturday.

J. J. Snoble, J. H. Moody, R. L. Jackson, L. Edmonston, Frank Blocker and Lee Arden were among the Miami and Ft. Lauderdale fishermen who came in with big catches.

Bass fishing showed improvement over the weekend also. Russell Bess reported 6 on Sunday, 2 weighing 5 1/2 lbs. each.

Jess Cockrell came in with a nice string on Sunday; the largest weighing 6 pounds.

The specks are expected to continue hitting; and this weekend should bring more of the same good fishing.

Slim's Fish Camp

Speck fishing is really fabulous! Mildred Challancin reported this week. People from out of state are just crazy about speck fishing.

Speck fishing during the weekend reported were:

Bill Hicks and Jerry Mullis from Lakeland brought in a 100 specks. Also Luke Chesnick and Ali Davis catch a 100. Ellis Tuten and Wendell Smith from West Palm Beach caught 63.

Speedy Farrell of WPB caught 63.

Dr. Mulholland and granddaughter from Lake Worth caught the limit in specks on Tuesday. Mr. and Mrs. Bob Defore from Miami got 75 specks on Monday.

Oscar Pedron from Alabama caught the limit in specks on Tuesday.

Catching nice strings of bass were Joe Mallon, Elmer and Tony Dunaway they brought in 18 up to 7 1/2 lbs.

Mr. and Mrs. Brantone from Miami had 8 bass on Sunday up to 7 lb. and 8 on Monday up to 6 1/2, nice uniform size.
